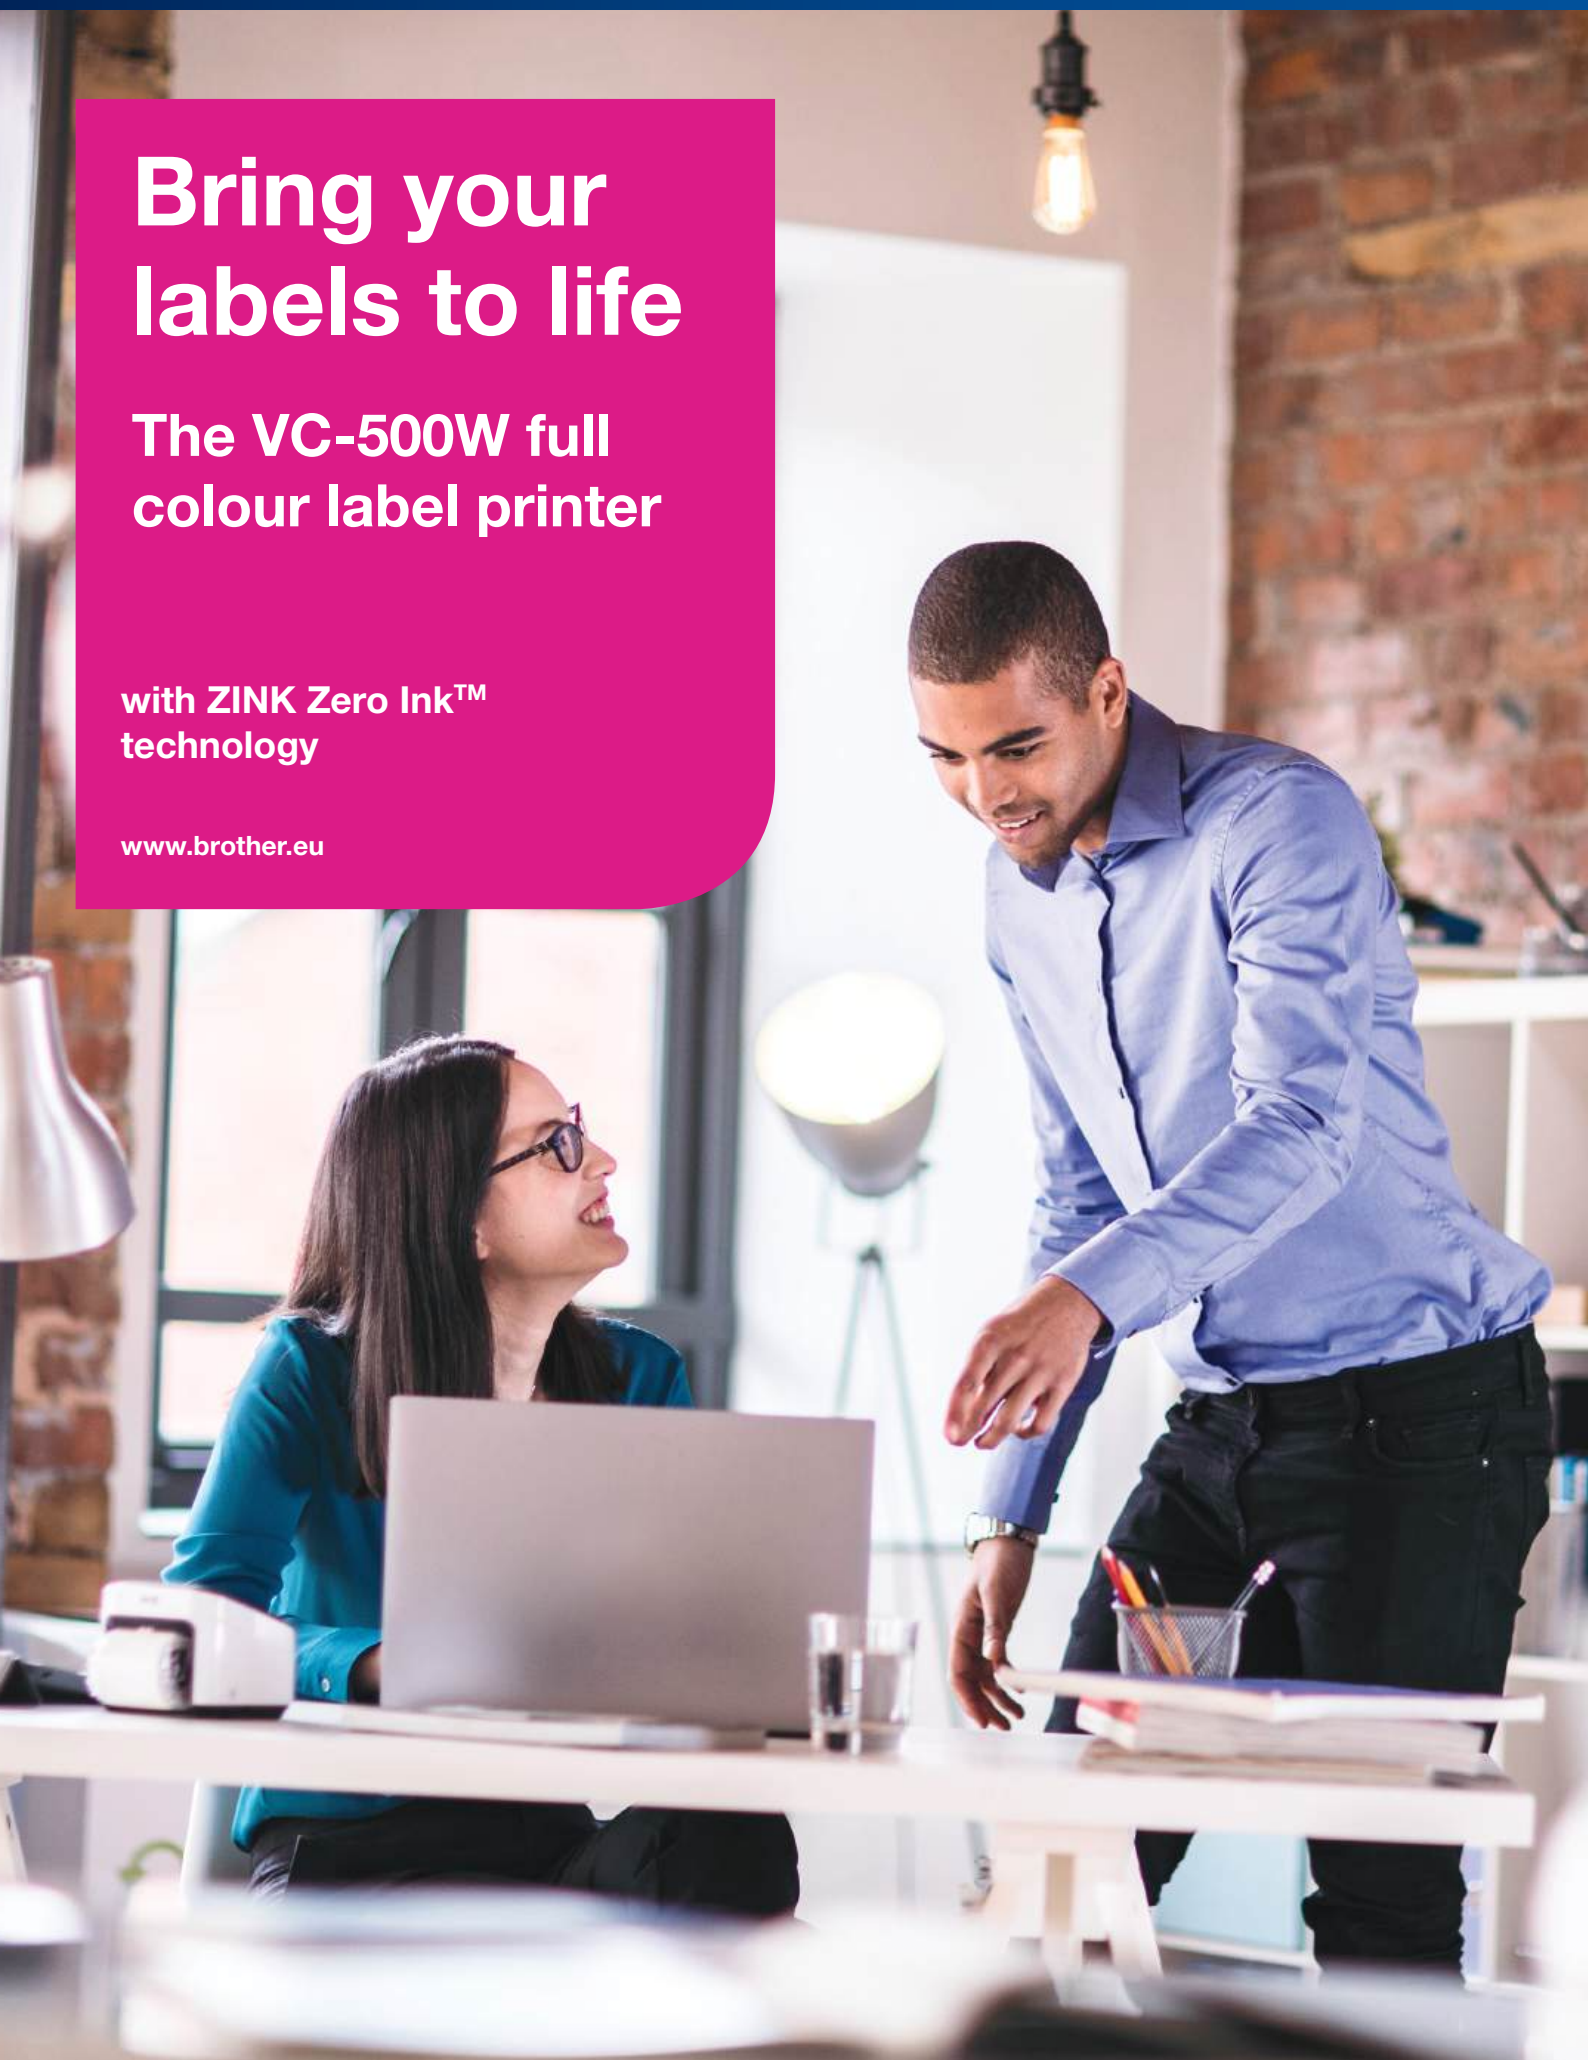
Bring your labels to life

The VC-500W full colour label printer

with ZINK Zero Ink™ technology

www.brother.eu



Print full colour labels on demand, without ink

The VC-500W compact label printer gives you full colour labels on demand from your PC, Mac, smartphone or tablet.

- Uses ZINK Zero Ink™ Printing Technology to produce full colour labels without ink!
- Print labels 9mm to 50mm wide.
- USB port to print from PC/Mac.
- Wi-Fi connectivity to label from your PC, Mac, iOS and Android devices.
- AirPrint to easily print photos from your iOS device.
- Free label design software for Windows and Mac, and free app for your smartphone or tablet.

Design labels on your computer or mobile device

No ink required. Label roll simply changes colour when printed!
